At Calloway's and Cornelius Nursery, we love kids! Each year we hold several educational and gardening activities for children ages 5 through 10. While we encourage parents/guardians to participate in our free Callie's Kids Summer Series on the third Wednesday of June, July and August. For everyone's safety and enjoyment, a maximum of three children should attend with each adult at these events. We cannot accommodate large groups during the Callie's Kids Summer Series.

However, we also offer special group tours for children with large organizations. If you are part of a day care organization, school group, or another type of large group, we customize programs for you! Complete this Special School Tour Form, and we will do our best to accommodate your group at a designated time (Tuesday through Thursday in January, February, June, July, August, September and October) based on the availability of the requested store location. A completed form is not an agreement to honor your request. Tours will not be given to the same organization more than one time within the calendar year. A previous tour does not guarantee a tour will be offered again. By accepting a tour from our company, you are giving us permission to publish your organization as a recipient of such in our advertising and marketing materials. While we would like to be able to meet every request, we must focus our efforts on those that provide the most benefit to Calloway's and Cornelius Nursery based on the resources available.
