DESIGNER Plant Combinations

SCOTT CALHOUN

Learn how to use companion plants in attractive small gardens...but don't stop there. The information applies to any size garden you may wish! Scott Calhoun presents the information in a brisk, entertaining style that not only makes his subject readily understandable but also inspiring. Simple yet stunning!

Scott Calhoun- Scott explores backroads and back country in search of plants, gardens, architecture and food! He is the author of six books. His first, "Yard Full of Sun," was awarded the 2006 American Horticultural Society Book Award; his second title, "Chasing Wildflowers," won the Garden Writers association 2008 Silver Book Award. His sixth book, "The Gardener's Guide to Cactus," has just been released. Scott runs Zona Gardens, an award winning design studio based in Tucson, Arizona. More info: www.zonagardens.com
