

## SANSEVIERIA

- BENEFITS:** Sansevieria tolerates low-light, it's easy to maintain, and it helps purify the air in your home.
- SOIL:** Plant with Calloway's Premium Container Potting Soil.
- WATER:** Allow the soil to dry out between each watering as Sansevieria does not tolerate soggy soil. Feel about 2-3 inches into the potting soil to see if the soil is dry.
- LIGHT:** Sansevieria prefers indirect light to low-light areas of your home. They prefer warmer temperatures above 50 degrees. In the winter, keep away from drafty windows.
- PLANT FOOD:** Feed as directed with Calloway's Premium Tropical Plant Food to keep your plant healthy and thriving.

# 5 PERFECT INDOOR PLANTS

## FOR BEGINNERS

CALLOWAY'S CORNELIUS  
NURSERY NURSERY

- BENEFITS:** Peace Lilies can help purify the air in your home, removing toxins like formaldehyde, benzene, and carbon monoxide.
- SOIL:** Plant with Calloway's Premium Container Potting Soil.
- WATER:** Water often, keeping the soil moist. Make sure the water is draining out of the drain hole properly or add stones to the bottom of your container to encourage a better draining system.
- LIGHT:** Peace Lilies prefer areas with indirect light. Keep in temperatures above 60 degrees and keep away from cold, drafty windows.
- PLANT FOOD:** Feed as directed with Calloway's Premium Tropical Plant Food to keep your plant healthy and thriving.

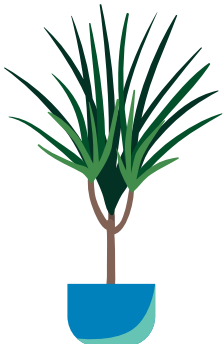

## PEACE LILY

- BENEFITS:** Succulents and Cacti are slow-growing and forgiving, especially if you forget to water.
- SOIL:** Plant with Black Gold® Cactus Mix for an ideal soil structure and drainage that these plants prefer.
- WATER:** Allow the soil to dry out completely between each watering these plants will not tolerate any standing water.
- LIGHT:** Succulents and Cacti can tolerate bright, indirect light to low-light areas throughout the day. Give your plants extra sunlight on your balcony or windowsill if they look leggy.
- PLANT FOOD:** Feed as directed with Calloway's Premium Tropical Plant Food to keep your plant healthy and thriving.
