MY PLANT JOURNAL
PLANT NAME:_____   TODAY'S DATE:_____

How does your plant look today? What is it's color?
Touch it - how does it feel, has it grown?

Is your plant thirsty?
Put your finger in the soil to give it a check. Does it need water?

Is your plant getting enough light?
How much light does it need?

Is your plant hungry?
When was the last time you gave it food?

MY PLANT JOURNAL
